

Certificate of Accreditation

Ascendis Consulting SRL

IASSC ACCREDITED TRAINING ORGANIZATION

International Association for Six Sigma Certification

The International Association for Six Sigma Certification (IASSC) is a Professional Association dedicated to growing and enhancing the standards within the Lean Six Sigma Community. IASSC is the only independent third-party certification body within the Lean Six Sigma Industry that exclusively facilitates centralized universal Lean Six Sigma Certification Standards Testing and Organizational Accreditations.

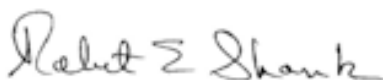

Accredited Training Organization

The Accredited Training Organization Program speaks to the quality of the organization, its instructors and the training programs it offers. This accreditation ensures that the training programs offered by the provider are consistent with the standards established by the industry as defined by IASSC and that the organization is competent in its ability to deliver those programs.

Accreditation Verification

The International Association for Six Sigma Certification hereby certifies the organization named above has satisfactorily met or exceeded the requirements as set forth within the criteria of the Accredited Training Organization Program and is hereby officially considered an IASSC Accredited Training Organization.

Robert E. Shank, Managing Director, IASSC
